INTRODUCTION

"This license authorizes any Judge, Justice of Peace, Licensed or Ordained Preacher of the Gospel or any other person authorized under the laws of this state to solemnize marriage between: (Groom's name) of the County of Texas and State of Missouri, who is (under or over) the age of 21 years and (Bride's name) who is (under or over) age of 18 years.

If Groom is under 21 and Bride is under 18, consent of Parents or Guardian must be given."

When the couple was under age, we have included the name of the consenting Parent or Guardian and the address of the Bride and Groom, which should help in the research of your family history. Many times, the surname of the consenting parent is not the same as the surname of the Bride, indicating the mother has remarried: one more little piece of information for your Family History.
